THE HOME OF EDISON TECHNICAL AND INDUSTRIAL HIGH SCHOOL

FOREWORD

The life reflected in these pages has enriched our experience. We hope the reader may share something of it. Some of our experiences we shall transmit to our community and nation in the form of an active working out of the problems of the atomic age. Some of them we cannot; they are the memories which will linger with us through the years.

ALMA MATER

*Dear to us always
This school and all its walls,
And thy traditions old,
Honored always
When we are gone from thee
Still thou shalt ever be,
Fairest on land and sea,
Dear E. T. H.*

*Down through the long years
Thy ideals ever bright,
Nor will they ever dim,
Long ages hence
Though we may go afar,
Still like the brightest star,
Thou'lt e'er before us be,
Dear E. T. H.*

—FREDERICK A. TOMPKINS, '22

FIGHT ON, TECH!

*Raise your cheers for good old Tech,
Shout, make the old walls ring
Stand and show your might once again
Let every loyal Tech man sing
Rah! Rah! Rah!
Fight—fight on to Victory
For you our voices rise
Here's to you our Alma Mater
A Tech man's spirit never dies!*

DEDICATION

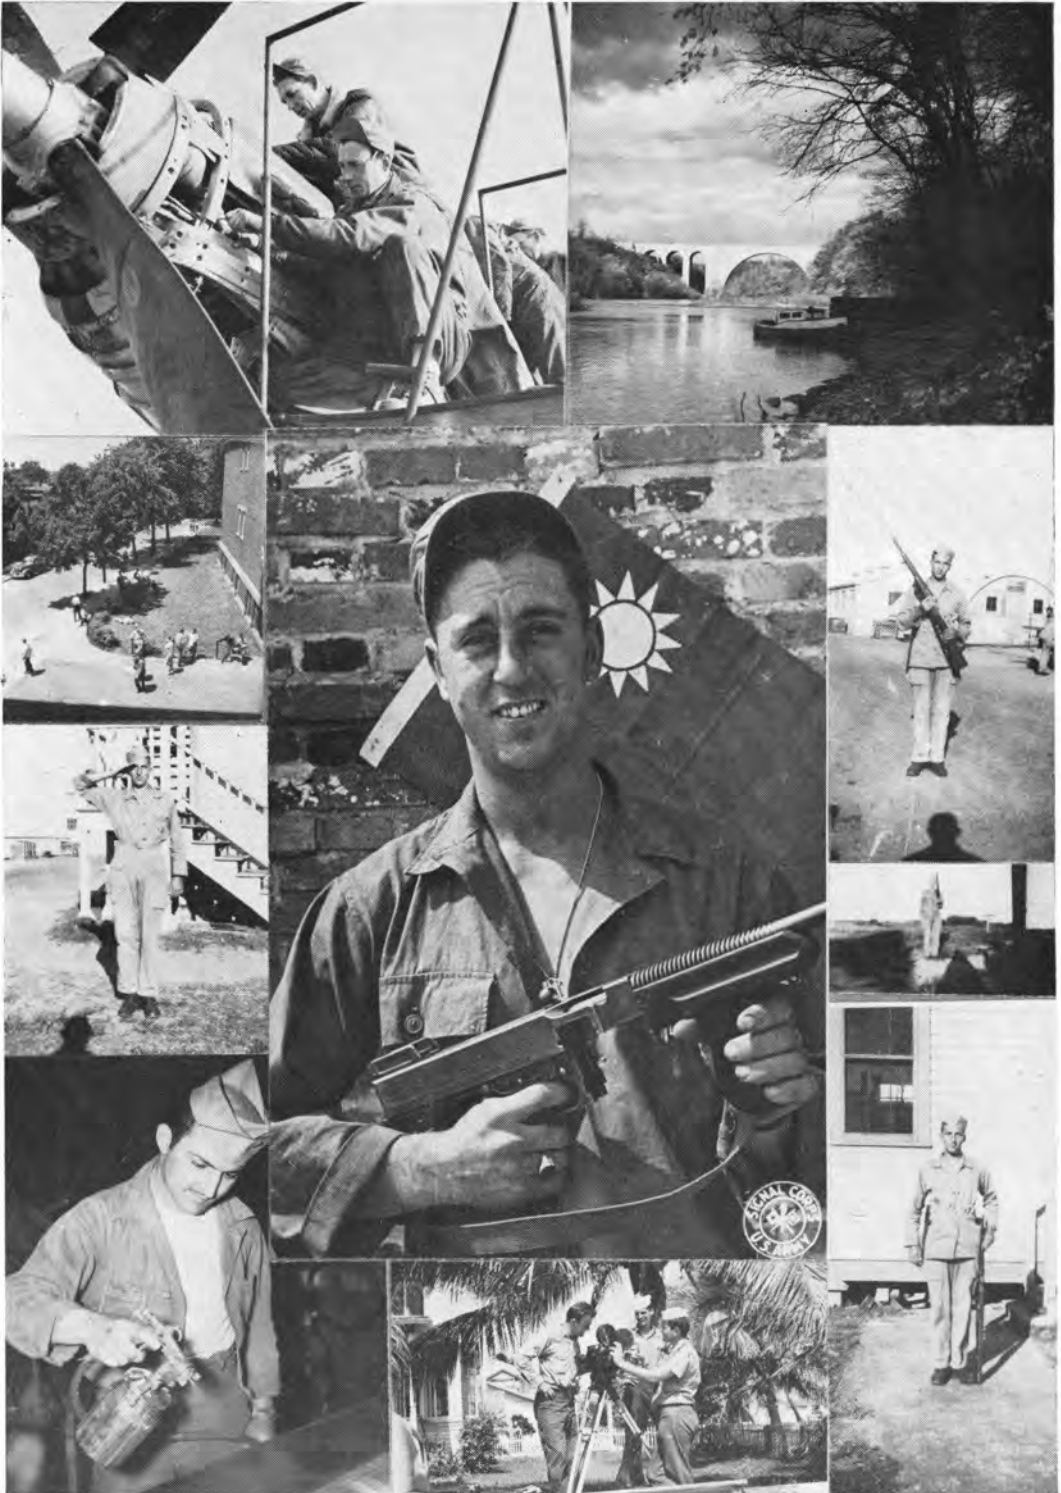

MR. MAURICE A. WILDER

We dedicate this annual to a man who has devoted every effort to the good of his school and its students. No man has held the spirit of his school more fervently in his heart; no man has done more to carry the Tech banner ever forward.

TECH BOOSTERS

The Tech Boosters are Tech's ambassadors to the grammar schools of Rochester and vicinity. Each spring, those who plan to come to Tech are asked to take a series of tests which will help in planning their program when they arrive. To make sure that all eighth grade students in the public and parochial schools are informed as to the time and place, the Boosters visit their former schools, make an appointment to come later when they may interview the eighth grade boys. On their second visit the Tech Boosters often carry samples of their work and explain the routine of our school. They try to get an estimate of the number expecting to take the tests. Very often, if it seems hard to explain the location of the school, a member of the Tech Boosters will meet the group and escort them to the building. After the testing program, the boys are escorted through the auditorium, swimming pool, gyms, and some of the shops.

Here is an honor roll of the teams which visited their old grammar schools: (The majority were freshmen.)

No. 11: Bruce Cousineau, Bob Greenhagen, Glen Herman; No. 25: Pete DiPasquale, Roy Biondo, Bill Liberto; No. 27: Nick Galanti, Joe DiFranco; No. 28: Chester Jones, Ray De Vries, Richard Wickman, William Phillips; No. 33: Paul Brewer, John Wright; No. 46: Art Carafos, Pete Carioty; No. 52: Ray Smith, Dick Dunning, Gordon Berndt.

TECH TAKES TO THE AIR

(View taken during "dawn's early light" or "twilight's last gleaming") Peter Di Pasquale, Ted Van Beurden, Bill Adams, WHEC; Dr. Howard C. Seymour. Moderator; Warren Lind, Alvin Mueller; in background, WHEC engineers, the Lynch brothers.

JUNIOR TOWN MEETING

"Should every senior have work-experience?" This was the issue which four Tech seniors, aided and abetted by a Tech audience placed before a wide radio-audience Sunday, December 8, 1946. The program had been previously transcribed in the Tech auditorium. Warren Lind and Alvin Mueller presented the affirmative arguments, while Peter Di Pasquale and Ted Van Beurden took the negative side. Bill Popham, Al Leutung and Bob Steehler were among those in the audience who tried to gain enlightenment or put their fellow classmates "on the spot." Perhaps the hottest spot was the one on which Pete put Warren. After Warren had stated, in answering a question, that labor unions oppose taking cooperative students into industry without joining their unions, Peter Di Pasquale countered with: "Warren, have you any statistics or other proof to back up your assertion?" Warren squirmed slightly and said that it was only common sense for a union to oppose anything it considered harmful to its members. It was the day after Pearl Harbor's anniversary.

HI-NEWS

The first Edison Hi-News broadcast of the fall season featured Dick Britton's story of how he won the local Soap-Box Derby, and nearly won the National Championship at Akron. Leonard Lanski and Henry Wilczewski, seniors, and Dick Dengler, a freshman, had parts in the script. Ted Van Beurden was the Edison reporter and also presented a summary of news from other local schools.

Ray De Voll made his first radio appearance on this program, filling in the three minutes reserved for musical talent. Singing "Where My Caravan Has Rested" and, for an encore, "Toujours, Toujours L'Amour," his voice made a very favorable impression on listeners. In fact, Ray was invited to sing regularly over the station after arrangements could be made.

Mr. Troup planned the content and rehearsal of the program. The next program featured our Aviation Club.

"YOUTH LOOKS AHEAD"

The only part which students take in this worthwhile program is asking questions of the experts. Ten Tech men are requested to attend each broadcast. The freshmen took over on a program devoted to Machine Trades. George Messmer asked whether atomic power would be used in industry in the future. The experts all said, "Yes." Later Gene Ruffino said "Let's get back to the question of atomic energy. I think the questioner wants a logical explanation, not a plain "yes."

Edison 40, Monroe 0: A league record and a high-spot of the 1946 interscholastic season. At full strength the Tech team was a powerhouse which was more than a match for Rochester teams. At half strength due to a pre-season hurricane of injuries and crutches, the machine nevertheless made West feel lucky to tie, and Jeff lucky to have that extra point. The tragedy of the season was that a bunch of champs missed winning the championship. But they are the real champs in the book of the loyal rooters who braved the rain and mud which trailed us. After recovering from most of its injuries, the team defeated its remaining league rivals by a combined score of 105-0. It was an inspiring team that ignored the elements, and sloshed and slammed through driving rain, heavy wind, and a sea of mud to 118 points. That team gave us memories.

If you want to know the stars, look at the picture above; there they are. All had their moments, and some of those moments will linger for years. All-scholastic honors went to Harvey Young, end; Al Leutung, quarterback; and Gene Cristao, tackle.

Our prospects for next year are bright. If you want to see where we'll be hit the hardest, look at that row of 13 seniors in front — 8 backs, 3 ends, a guard and a tackle, and that lone senior way back in the right hand corner, a back we'll miss sadly. But Tech men will rise to fill their shoes, and keep "doin' what comes naturally," for Tech men, fight to keep Tech on top.

SOCCER

*Good Luck
"Al. Bernardo"*

First row: Gene Daskiewicz, Fay Buckner, John Ange, Charles Timmons, John Viavattine, Ralph Vitale; Second row: Al Colotti, Don Musson, Paul De Palma, Joe Battaglia, John Houseman, Joe DiTavi, Joe Prophet, LaVerne Coy; Third row: Mr. Farnan, Coach; William Urquhart, Feno Volpe, Gene Phillips, Dick Thomas, Ray De Vries, Tom Valente, Joe Di Franco, Al Bernardo, Vince Ferrara, Eugene Bonn, Joe Vella.

Another team that missed glory by the narrowest of margins, losing only to Madison, yet outplaying them. They looked like champs throughout the season, with all the publicity going to football, and only the faithful watching their exploits.

SWIMMING

First row: Feno Volpe, Norm Hartleben, Leo Leberth, Don Kriske, Stuart Cashmere; Second row: Art Carafos, Ian Buchanan, Leonard Burton, Bill Popham, Peter Carioty, Andy Carafos; Third row: Eugene Golomb, Bill Smith, Herb Becks, Joe Hall, Ed Wyand, George Schakow, Earl James, coach.

CROSS COUNTRY

First row: Bill Cox, coach; Don Heberger, assistant manager; Walter Wettach, Francis Hartman, Tommy Thompson, Dick McWilliams, Leonard Coleman, Manager; Second row: Ted Van Beurden, Louis Gurney, Robert Cook, Al Mueller, Jim Amann.

High Lights: Tommy Thompson takes 3 firsts; Dick McWilliams, freshman, wins interscholastic reserve championship; Frank Hartman, freshman, makes number 2 position on varsity; Edison makes perfect score in meet with Marshall.

VARSITY

*Good Luck
to Cristao*

First row: Tom Egan, manager; Walt Lake, Paul De Palma, George Bartholomay, Leo Schwind, Pete Di Pasquale, Ben Serianni, manager; Second row: Gene Chmiel, Rocco Patricelli, Earl Conte, Al Bertman, manager; Gene Cristao, Joe Di Tavi, John Ange, Ben Daly, coach.

At the time of going to press we can only report that we played .500 ball last year, lost all of the starters except Cristao. To date we have lost to East and Franklin, defeated West and Marshall. If the team can make a larger proportion of their shots good, they will cause trouble.

RESERVES

*Lots of Luck
John Lesczinski*

First row: Tom Spampinato, Harvey Young, Jim Kanaley, Herbert Marcus, Dick Golden, Ed Eaves, John Lesczinski; Second row: Fritz Leutung, Joe DiFranco, Peter Kubarycz, Ben Daly, coach; Dick Smith, Ray Kanis, Gerald Barth.

Prediction: Reserve Championship of Interscholastic League.

BOWLING CHAMPIONS

Front row: Francis Bott, Joe Lang, Paul Mueller, Ralph Baleno, Don Bott, Jim Downs;
Center: Mr. Sprague, Coach; Second row: Don Vande Sande, Dan Mykins, Jim Raforth,

Yes! Our Tech cindermen did it again. This year's championship is only one of five in the past seven years. You all remember Bob Schomske the day he broke the city mark and tied the sectional record, then went on to win the sectionals, earning a shield. Don't forget Russ Vande Wall, his co-runner who chased him across. Al Hauck was our winner in the long, grueling mile. Don Stetzel and Walt Lake held their own in the sprints. Jack McKenna and his pal Jack Vandenberg were never separated in school, and they teamed up on the track in the quarter mile. Jack V. forced Jack M. to be a winner. Jim Matzat did the same for Bill Popham in the half mile. As pretty a runner as you ever saw was Tom Slowe stepping off the 220 yard dash gaining speed all along the line and at his best going down the stretch. Al Leutung, Walt Lake, and Tom Spampinato were our point winners in the flying leap or running broad jump. Earl Conte, Leo Schwind, and Len Lanski were our high jumping trio. Al Leutung carried a parachute on his pole-vaulting ascents, but, only in his thoughts, after he passed the eleven-foot mark; Art Carafos was right in there too totin' his totem pole. Our shot putters (not to be confused with "put-putters," a term used in motor boating, nor with "putter shots," a term used in golfing) never donned a track outfit; they just took turns heaving the shot and helping to win the championship. We remember especially that 43 foot heave that sewed up the last meet with something to spare, a heave that was heave-hoed by Tom Spampinato. The relay team with Slowe, Lake, Schomske and Stetzel was unbeatable. There you are: the champs.
